## ENHANCE YOUR MUSEUM EXPERIENCE

### **SONGWRITERS TO SOUNDMEN**

*(offered on the third Wednesday of every month)*

The Rock and Roll Hall of Fame and Museum presents an educational program to tell the story of rock and roll music's significance in our world. *"From Songwriters to Soundmen: The People Behind the Hits"* gives Rock Hall audiences an inside look at aspects of the music business that are often concealed from view.

For those who wonder how songs become recordings, how recordings become hits, or how the show gets on the road, this series will offer both answers and anecdotes beyond expectation. While the facets of the music industry explored in this series may not be well known, music industry moguls responsible for some of rock's biggest acts are participating in the series.

The Songwriters to Soundmen group package includes admission to the Rock and Roll Hall of Fame and Museum, a Songwriters to Soundmen educational program, a \$10 meal voucher for the Museum Café, and a special discount card for The Museum Store, presented by FYE, at the Rock Hall.
